

Dual Diploma Program

What is it?

The Dual Diploma Program offered at Fulford Academy provides high school students the opportunity to obtain their high school diploma in their home country, as well as earn an Ontario Secondary School Diploma (OSSD).

Students attend their regular academic year in their home country completing the courses necessary to earn their high school diploma. Students will then spend 7 weeks of their summers following the completion of Grade 10, 11 and 12 at Fulford Academy. During the summers, they will complete two courses in a chosen stream of education which will allow them to earn the credits necessary to obtain an OSSD. During the regular academic year, Grade 11 students will complete the OLC4U online to fulfill the OSSD Literacy requirement.

The focused streams to choose from include:

- Social Studies/Arts
- Math Specialization
- Science Specialization

This program is ideal for students who:

- Display strong academic skills as well as high language abilities
- Want to have a competitive advantage when applying to universities
- Feel ready for a more mature and independent environment
- Want to discover specialized programs and future career pathways
- Wish to embrace the international study experience

The Dual Diploma program offers students:

- A highly competitive edge when applying to a university institution
- Targeted study areas to embrace their unique interests and capabilities
- Small class sizes accompanied by exceptional support in a hands-on learning environment
- Access to courses not normally offered at their school
- An international experience, living, learning and making connections with students from around the world

Dual Diploma Program FULFORD ACADEMY MAKES THE DIFFERENCE

Fulford Academy is a coeducational, private day/boarding school located in Brockville, Ontario Canada, home of the famous 1000 Islands on the majestic St. Lawrence River. Established in 2002, Fulford Academy offers grades 7 to 12, leading to the renowned OSSD - Ontario Secondary School Diploma. Our specialized academic offerings include ESL Prep, University Prep, a Dual Diploma Program and Academic Summer School. Starting in 2018 Fulford Academy will expand to offer Kindergarten to Grade 6 for day students. Fulford Academy's unique curriculum with highly differentiated instruction, intensive language support and emphasis on Science, Technology, Engineering, Mathematics and Arts (STEM +A) ensures competitive admission to global educational institutions.

In an intercultural environment, our students enjoy the privileges of a dynamic Academic and Residential/Student Life program enriched with many social and cultural activities, and they flourish as individuals. Gaining a genuine perspective of Canadian culture, our students are stimulated to embrace new opportunities and gain confidence through trips, extra-curricular activities and local volunteer & leadership opportunities, and learn skills that can be applied to real-life circumstances.
